Nurturing the Spirit of the Child

April 20, 2020

Aloha Calvary Teachers, Parents and Visitors:

As we continue to monitor the coronavirus (COVID-19) situation we have decided it is in the best interest of our Calvary by the Sea Montessori School 'Ohana to extend our school closure. We regret to inform you that we are extending our closure through Monday, June 1, 2020. The purpose of this extended closure is to ensure the safety of our educators, students and community at large.

Due to the uncertainty of COVID-19, we will continue to follow the lead of our government officials, Department of Health and Department of Human Services. We will keep you informed as the situation develops. Please check your emails for any further updated information. We apologize for any inconvenience this may cause.

May God continue to bless you and your 'ohana.

Mahalo,
